COBRA CHROME

Established in 1885 Avon is renowned for producing top quality motorcycle tyres in the UK developed with the rider in mind.

Our highly successful Avon Venom and Avon Cobra tyres have a well-established reputation in the custom and cruiser segments. The next chapter in our long and rich brand history is the introduction of the Avon Cobra Chrome; the tyre of choice for the cruiser rider in search of safety, the joy of riding and individuality. The Avon Cobra Chrome offers premium performance and a stylish Cobra themed design.

Unique tyre design with detailed aesthetic features

Bespoke snake skin appearance and embossed Cobra head logo. Available in extreme custom sizes with rear tyres up to 23 inch and widths of up to 330mm.

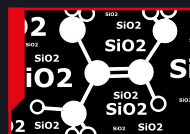

Excellent wet braking and stability

Enhanced compounds and new construction deliver improved stopping distances in wet braking tests.

High stability in all conditions delivering precise feel and tyre feedback

Avon's latest tech pattern and advanced construction produces over a 5% larger tyre footprint*.

Improved tyre life over its predecessor

Highly durable compound delivering 10% extra mileage*. Latest technology pattern design.

*Compared to Avon Cobra

COBRA CHROME

WHITEWALL

The white sidewall Avon Cobra Chrome is the ultimate statement of individuality.

The technology and rubber compound used to manufacture the unique durable white sidewall remains a secret and has been crafted and refined over many years by our R&D department in the UK. With an increased size offering over the previous Avon Cobra, more riders will be able to enjoy the look of Avon Cobra Chrome whitewall tyres.
