

NEW PRODUCTS SUMMER 2019

NH SERIES MUFFLERS IN FOUR STYLES

Destined for V-Twin glory the Cobra Neighbor Hater Series of mufflers boast a soul-lifting boom.

- Available in four versions for the Baggers. The cores are the same but have different shapes: the NH, the Dual Cut, the 909 and the 909 Upper Cut.
- These are the mufflers for the rider who thinks too loud is just right.

NEIGHBOR HATER MUFFLERS

1801-0914	Bagger 95-16
1801-1026	Bagger 95-16 (Black)
1801-1049	Bagger 17-20

NEIGHBOR HATER

NH-DUAL CUT

NH-909

NH-909 UPPERCUT

DETACHABLE BIG ASS RACK SHOWN WITH SHORT DETACHABLE BACKREST

DETACHABLE LUGGAGE RACKS

The Cobra detachable racks for Baggers work seamlessly with our detachable backrest. They use the same proprietary release mechanism and can be installed or removed in a matter of seconds. They require the Cobra docking hardware kit.

They come in a standard version available in chrome or black, and in our new 18-inch wide by 13.5-inch deep Big Ass Rack, also available in chrome or black.

DETACHABLE BACKREST FOR BAGGER

1501-0536	Detachable Backrest Bagger 09-20

DETACHABLE BACKREST SHORT (BLACK)

DETACHABLE RACK SHOWN WITH DETACHABLE BACKREST

DETACHABLE SOLO LUGGAGE RACKS

These detachable solo racks use our proprietary pull release mechanism, so they can be quickly installed or removed.

They arrive with all the necessary hardware needed for installation and come in a standard version available in chrome or black, and in our new 18-inch wide by 13.5-inch deep Big Ass Rack, also available in chrome or black.

NOTE: These racks include all mounting hardware. They do not work with nor require the Harley-Davidson™ mounting kits.
