MOTO ADVENTURE TRAVEL

We design exclusive and exciting itineraries to give you an unforgettable motorbiking experience and at the same time you discover the hidden beauties of Portugal. Designed by former athletes to provide the pleasure, adrenaline and rush of a great ride, while enjoying the best food, accommodations and experiences that Portugal has to offer.

Every route is designed for the most adventurous riders, with offroad alternatives to choose along the course. And all of this with a KTM Adventure Travel Bike. Great offroad machines with travel capabilities built by Europe's biggest motorbike manufacturer, known for crossing countries and continents with speed, style and luxury.

PORTO & DOURO VALLEY EXPERIENCE

BEAUTIFUL LANDSCAPES WINE & FOOD, FUN & FREEDOM

Imagine you could ride across the Douro Valley, off the highways, in a brand new KTM Adventure Bike, on a tailored route created by former athletes, with several offroad alternatives that you can choose along the way. This is the premise of our Onroad Porto & Douro tour.

As one of the most ancient wine regions in the world and UNESCO World Heritage Site, Douro's unmatched natural beauty is perfect for your motorbike adventure. The scenic trails and views, the secret places where some of the world's most famous wines are produced and, of course, the secret roads will make this an experience to remember and enjoy.

It's also a way to discover typical villages and towns that are usually off the beaten path.
