HAND BUILT TRUST

Every Toolbox is a Signature.

Trust is earned, and when it comes to your tools it's all about trust. That's why hardworking hands trust Mechanix Wear. Our commitment to hand protection has earned the trust of skilled trade professionals and service members around the world. It's our commitment to anatomical design, industry leading material technology and rigorous testing standards. A commitment to looking beyond conventional ideas with the drive to innovate the most advanced gloves for working hands.

WORK

THE TOOL THAT FITS LIKE A GLOVE

IT'S MORE THAN JUST A TAGLINE. It's our promise to the worker. He's dedicated. Proudful. He trusts quality tools to get the job done, day in and day out. His hands are skilled, and he understands the value of having high performance work gloves in his toolbox. Mechanix Wear users can be found pulling 12 hour shifts in the oil fields, or repairing aircraft on a carrier in the middle of the ocean. Each work glove has its own story and unique way of delivering superior fit, feel, and functionality to hardworking hands.

THE ORIGINAL®

Despite its imitators, The Original® is The Glove That Started It All™. Tried, tested and proven for over 25 years, it delivers the perfect blend of dexterity and durability. The Original® is built with carbon-infused touchscreen capable synthetic leather and breathable TrekDry® to create the ultimate tool for hardworking hands. With a gamut of practical uses, it's no surprise that The Original® is the most recognized and most frequently worn work glove by anyone with a toolbox.

FEATURES

- Form-fitting TrekDry® helps keep your hands cool and comfortable.
- Adjustable Thermoplastic Rubber (TPR) closure creates a secure fit to your wrist.
- Reinforced thumb and index finger improve durability.
- Touchscreen capable synthetic leather provides the perfect blend of dexterity and durability.
- Machine washable.

FASTFIT®

M-PACT®

Make an M-Pact® on the job. The M-Pact® protects working hands with Thermoplastic Rubber (TPR) knuckle protection that absorbs blunt force impact and meets EN 13594 impact standard. The M-Pact® features D30® palm padding to dissipate high-impact energy and reduce hand fatigue as the day goes on.

FEATURES

- Thermoplastic Rubber (TPR) impact protection meets EN 13594 impact standard.
- Thermoplastic Rubber (TPR) pinch-point fingertip protection.
- Thermoplastic Rubber (TPR) closure provides a secure fit.
- Form-fitting TrekDry® material keeps your hands cool and comfortable while you work.
- Touchscreen capable synthetic leather provides the perfect blend of dexterity and durability.
- Armortex® palm reinforcement delivers added durability.
- Reinforced index finger and thumb support added durability where you need it most.
- D30® palm padding absorbs and dissipates impact and vibration.
- Machine washable.

SPECIALTY 0.5mm

When you need the control of bare hands while still wearing gloves, reach for the Specialty 0.5mm. Our most dexterous work glove features a high-dexterity 0.5mm AX-Suede™ palm that forms to your hand for precision work. The Specialty 0.5mm is anatomically designed to the natural curvatures of the hand using three-dimensional patterning to improve overall dexterity. Breathable TrekDry® protects the back of the hand and allows cool air in when the heat is on.

FEATURES

- Thermoplastic Rubber (TPR) closure provides a secure fit to the wrist.
- Form-fitting TrekDry® material keeps hands cool and comfortable.
- Three-dimensional patterning forms to the natural curvature of the hand.
- Flex inserts improve finger mobility.
- High-dexterity 0.5mm AX-Suede™ palm material provides precision feel.
- Hourglass finger design eliminates material overlap.
- Machine washable.

SPECIALTY VENT

The Specialty Vent glove provides working hands with evaporative cooling on those sauna-like workdays with its fully ventilated design. The fully perforated palm combines with a breathable mesh back-of-hand to circulate air throughout the entire glove and keep your hands cool and comfortable while you work. Perforated synthetic leather reinforces high-wear areas of the thumb and index finger for added durability when using hand tools. The low-profile wrist closure creates a seamless fit to the wrist, while the micro-fleece thumb panel serves as a convenient place to wipe the sweat falling from your brow.

FEATURES

- Lightweight mesh eliminates heat build-up.
- Perforated thumb and index finger reinforcement.
- Perforated finger fourchettes.
- Low-profile Thermal Plastic Rubber (TPR) hook and loop closure provides a secure fit to the wrist.
- Micro-fleece sweat wipe.
- Fully perforated palm allows for maximum airflow.
- Machine washable.

SPEEDKNIT™ UTILITY

SpeedKnit™ work gloves are constructed with a seamless 15-gauge nylon shell to protect your hands without compromising dexterity and control. SpeedKnit™ gloves are coated with oil-resistant micro foam grip so you can work with confidence under the hood or in the workplace.

FEATURES

- Seamless 15-gauge nylon shell creates a snug fit.
- Oil-resistant NFT palm coating enhances the user's grip strength in wet, dry and oily conditions.
- Machine washable.

SHOP APRON

With input from championship-winning NASCAR, NHRA and AMA Supercross teams and crew members, every detail of the all new Mechanix Wear Work Apron has been refined and perfected to allow the user quicker access to tools and parts placed in the various pockets. The upper apron area has been expanded to cover more of the chest and the very useful upper center pocket has been optimized to perfectly fit a standard spiral bound note pad, pen, 6 inch metal engineer ruler and #2 pencil if needed. Many of the historical design features have been utilized in this new apron having been perfected in previous versions – the upper chest pocket and lower center slit are such features. The Ballistic Nylon construction, double stitching, adjustable length-wide webbing neck and waist straps, internal hanging pockets and dual side of the waist hammer hanger loops all add to the function and useful features of the Mechanix Wear Apron. Resistant to water and certain solvents and machine washable.

FEATURES

- Fits waist sizes 28 to 44.
- Durable ballistic nylon construction.
- Adjustable neck and waist straps.
- Center chest pocket.
