

VO2 BLADE AIR INTAKE

Touring • Softail • Dyna • Sportster

Shift into high gear with the VO2 Blade from Vance & Hines. The sharp clean lines of the Blade will give your v-twin the edge in both show and go, making use of the ultra-high capacity K&N Xstream filter to tap the potential of your v-twin beast.

- CNC Machined Billet Cover
- High Capacity Washable Air Filter Element
- Backing Plate, Venturi and Breather Assemblies Included
- Available in Chrome or Black Contrast Finish
