The **2-in-1 full kit** for the **Harley-Davidson® Touring Models**, is a complete exhaust system made of **AISI 304 stainless steel**, consisting of **headers**, a **short cone slip-on**, and a **black anodized aluminium end cap**.

Designed by **Centro Stile Zard**, this full kit is for **Euro 4** and **Euro 5 approved**, available in **satín**, **matte black Cerakote®** and **polished finish**. The weight reduction is incredible (**-9.3 kg** for the **Euro 4/5 approved** version compared to the standard exhaust system) with a real increase in engine performance (**+2.1 hp** for the approved version compared to the standard exhaust system).

The 2-in-1 kit is **compatible** with the following models in the **Grand American Touring** range equipped with the **Milwaukee-Eight** engine from **2017 to 2024**.

1800-2698/1800-2699/1800-2700/1800-2701/1801-1812/1801-1813/1801-1814/1801-1815
ARE COMPATIBLE WITH THE FOLLOWING MODELS:

ROAD GLIDE	ROAD GLIDE SPECIAL	STREET GLIDE ST
ROAD GLIDE LIMITED	ROAD KING SPECIAL	STREET GLIDE SPECIAL
ROAD GLIDE ST	STREET GLIDE	ULTRA LIMITED

NOTE

All Zard full kits and slip-on models developed for **M8 engines** from 2017 to 2023 are compatible with all **Touring** and **Grand American Touring** motorbike models
