## BeadBuster

### TIRE IRON SET

- Three-piece tire iron set is extremely rugged and well balanced
- Thicker and heavier than most tire irons you'll find elsewhere, these ATV/UTV tire spoons are the perfect size for gnarly, thick-walled tires
- The unique curved shape of the large 38 cm (15") lever makes removal easy with extra leverage, and it has the perfect shape for reaching over the lip of the rim to start the job
- The shorter 30,5 cm (12") tire levers are perfect for working your way around the tire, and also have a curved tip on one end
- Forged steel construction

## BeadBuster

### BEADBUSTER XC-455

- All-purpose tire bead breaker allows you to change ATV/UTV tires by yourself, where and when you want
- The portable XB-455 bead breaker is powerful and quickly unseats stubborn tire beads from the rim using only hand tools, and it won't damage your rims
- No floor mounting required so you can use it on the trail, or in your garage
- Work less, ride more...with BeadBuster
- Durable steel construction (AISI 1020 Cold Rolled)
- Extra-strong ram foot is made from hardened and tempered 4130 chromoly steel, with a proof load of more than 1361 kg (3000 lb.)
- MIG welded
- Grade-5 and Grade-8 hardware
- Polyester powdercoat finish
- Padded clamp arm (will not scratch or dent rims)
- Weight: 1,3 kg (2,93 lb.)
- Size: 15 cm x 15 cm x 44 mm (6" x 6" x 1<sup>3</sup>/<sub>4</sub>")

### STANDARD FILTERS

- Twin Air dual-stage filters are the choice of top factory teams and riders worldwide
- Dual-bonded foam design filters out even the smallest dirt particles, while allowing more airflow than two separate layer filters (flow bench proven)
- Flat foam sealing ring provides a secure seat against the airbox, even in the worst riding conditions
- Twin Air filters are slightly smaller than stock, making them easier to change while increasing dead air space around the filter for better performance

1011-4368

### FACTORY PRE-OILED AIR FILTERS

- The same factory treatment that race teams and OEMs receive is now available for all Twin Air users
- Filters are pre-oiled with Twin Air BIO Foam Filter Oil using our state-of-the-art filter oiling machines to provide the ultimate consistency in pore coverage
- Same industry-leading Twin Air Filter you are used to, now pre-oiled for your convenience
- Comes in a new, resealable bag for added convenience
