## EL DORADO DUAL EXHAUST SYSTEMS

- Improved power and torque
- Oxygen sensor location same as stock
- Includes adapters for wide band oxygen sensors
- Use two high-flow cats to increase exhaust flow while providing just the right amount of back pressure for optimum torque
- Relocation of cats to mufflers reduces heat on rider
- Produces a deep bass rumble exhaust note throughout the rpm range
- Available in show chrome or black ceramic finish with contrast-cut Thruster or Tracer end caps, or chrome Tracer end caps
- J2825 sound compliant

**NOTE:** Not for CVO models.

## SADDLEMEN

Specializing in gel motorcycle seats and motorcycle luggage since 1987, Saddlemen puts more than 30 years of industry and real-world riding experience into every product. They are constantly bringing new seats to the market for the latest V-Twin models. The Road Sofa seat designs set the standard for comfort, quality and style.

### ROAD SOFA PT SEATS

- Refined split-cushion design separates the seating surface from the lumbar support to reduce tailbone/back pressure for maximum long-range comfort
- Features a combination of progressive density foam and SaddleGel™ inserts for superior driver and passenger comfort
- Pillowed soft upholstery cover backed by a compliant foam layer under the cover to provide incredible comfort and style
- Heated version includes: easily connected two-level heat adjustment, independently controlled heating elements and brightly colored LEDs to indicate heat levels
- Seat's styling and function is unaffected by switches or wiring
- Classic styled button-tufted cover
- Comes with driver's backrest
- For the complete line of Road Sofa PT Seats, see the 2020 Parts Europe FatBook

### ROAD SOFA PT SEATS

- Tall lumbar support and wide driver saddle support the back and legs for superior comfort, while the streamlined nose improves the rider's reach to the ground
- Refined split-cushion design maximizes long-range comfort by separating the seating surface from the lumbar support to reduce tailbone and back pressure
- SaddleGel™ in front and rear reduces tailbone pressure and increases circulation and comfort for both driver and passenger
- Genuine pillow-top styling provides a luxurious look and ride
- Made with pillow-top inserts and weatherproof, no-maintenance-required SaddleHyde™
- Includes a fitted rain cover specially designed to protect seat from water and dirt
- Available with or without driver's backrest

## STEP-UP SEATS

- Saddlemen has collaborated with top freestyle performers to create the new T-sport-inspired seat
- Features tuck-n'-roll (TR) styling on driver's seat and lattice stitch (LS) design on passenger's seat
- TR seats feature true tuck-n'-roll styling
- LS seats infuse old-school lattice stitch retro styling with a modern twist
- High lumbar keeps the rider locked into the seat
- Also features Saddlemen's Ultra-Foam, which is formulated to provide a perfect balance of rigidity and user compliance with integrated GelCore™ technology
- Black or brown whisper-grain SaddleHyde™ covers
- Installs easily with all necessary mounting hardware and instructions included

## SCORPION BILLET CLUTCH

- CNC-machined billet aluminum design features over twice the friction area of the stock clutch
- Provides positive engagement and release
- Incorporates six heavy-duty coil springs instead of the diaphragm spring; includes an extra heavy-duty set of springs for higher horsepower applications
- Friction plates are compatible with most primary oil
- Simple bolt-on installation; requires the original clutch shell; no machining is necessary
- Kit includes clutch hub, drive plates, driven plates, multiple sets of clutch springs, pressure plate and necessary hardware
- Made in the U.S.A.

PART #	DESCRIPTION
<b>1130-0436</b>	For 18-20 Softails

1014-0296

## STEALTH TRIBUTE AIR CLEANER COVERS

- Design mimics the classic S&S Two Throat intake air cleaner kits
- Classic look, modern performance
- Fit S&S Stealth air cleaner kits (sold separately, see the Parts Europe 2020 FatBook)

## REUSABLE AIR FILTERS

- Durable epoxy-coated wire mesh designed to maximize airflow and provide peak filtration
- 100% reusable and washable
- Pre-oiled for quick easy installation
- High-flow four-layer surgical-grade cotton filtration
- Urethane body won't crack or curl like rubber

PART #	DESCRIPTION
<b>FOR BIG TWIN</b>	

<b>1011-4230</b>	For 17-20 FLHT/FLHR/FLHX/FLTRX/FLTRU/FLTRK/HD FL TRIKE; repl. OEM #29400212
------------------	---

## IGNITION QUICK SHIFTER KIT

- Allows any vehicle with up to four coils to have quick shifter functionality
- Features the latest Intellishift™ technology and provides the smoothest shifts of any stand-alone unit on the market
- Kill times per rpm band and shift sensor activation point are adjustable
- Includes Denso coil cap connectors for easy installation on many late-model motorcycles; connectors can be removed for applications without this style of coil
- Includes sensor and module
